

Mandarin Leisure is proud to offer 20% discount to all serving members of the emergency services (including support staff & NHS). This isn't a rash decision, it's actually been in place for 26 years!

You'll be surprised how this mobile company can help you; treating conditions from stress, anxiety, insomnia through to physical conditions including headaches, back, shoulder, neck, pelvic and knee pain.

Mandarin Mothers treats antenatal/postnatal ladies with massage & tuition for partners too while **Mandarin Fitness** takes care of the Personal Training and fitness classes

Typical prices start at £50 but don't forget your discount!
